

SCTV10 is your Community Television station!

# SCTV10 NEWSLETTER MARCH 2010

SCTV10 is now featuring **'SCTV10 Public Theater'** Saturday and Sunday at 8PM. Many great Sherlock Holmes mysteries and 1000's of classic films in the public domain are now a part of the SCTV programming schedule. Check out our link through the Town website for a complete programming schedule.

SCTV10 continues to feature fun animated programming for kids on Saturday and Sunday mornings from 7:30AM to 10:00AM. Catch classic episodes of **Popeye, Bugs Bunny, Mighty Mouse** and **Porky Pig** every weekend on SCTV10.

SCTV10 continues to feature a **Community Bulletin board** that notifies viewers of local events, performances, public notices and activities. If you would like to post something on the SCTV10 Community Bulletin board please email us at [sctv@town.scituate.ma.us](mailto:sctv@town.scituate.ma.us)

*SCTV10 is a valuable resource for our community...*

SCTV continues to maintain a balanced, 24 hour a day, 7 day a week programming schedule.

- **SCTV10 Haiti Programming** - Through Mass Access, SCTV10 has obtained programming from the Woodrow Wilson School of Public and International affairs concerning the situation in Haiti. The lecture series is non profit and non partisan and takes a informative look at the Haitian economy, it's people and potential plans to recover from recent events.
- **SCTV10 Local Programming** - SCTV10 continues to work on the local level to provide information and education for all Scituate residents. SCTV10 is currently featuring programming and postings from the Scituate Historical Society, the Scituate library, the Scituate Council on Aging, the Board of Health, the NOAA Stellwagen Bank facility as well as many others.
- **SCTV10 Government Programming** - SCTV10 is now featuring the Scituate Board of Selectmen's meetings weekdays at 12:00PM and 7PM and on the weekends at 12:00PM and 5:00PM. SCTV10 also runs the Scituate Council on Aging meetings at 3PM on weekdays and after the Selectmen's meetings on the weekends (usually around 3PM). Many other Town meetings are scheduled as they are made available to SCTV10.

*Looking ahead to Spring 2010...*

We are working on future plans for cable television in our Town. As we move forward we will continue to expand as a resource for our community..
